June 2022

SURVEY ADMINISTRATION. The Client Satisfaction Survey was developed and administered using an on-line survey tool, Survey Monkey. The survey administrator was Brenda Rohren. The survey opened at 9:00 am on Tuesday, June 7, 2022 and closed at 6:00 pm on Thursday, June 30, 2022. Adult clients in the Dual Diagnosis Outpatient Treatment program were asked to participate in the survey during therapy sessions held in June 2022. Only active clients were invited to participate. At the time of the survey, there were no adolescents participating in the program.

RESPONSE RATES. The response rate was 100% (i.e., 17 of 17).

SUMMARY OF RESPONSES. A 5-point Likert scale was used for all questions (Strongly Agree, Agree, Neutral, Disagree, and Strongly Disagree). The satisfaction ratings indicated below are for the percentage of individuals who responded either “Strongly Agree” or “Agree” to the questions. Questions were asked regarding accessibility in the areas of Architecture, Environment, Attitudes, Finances, Employment, Communication, Technology, Transportation, and Community Integration. Cultural diversity questions were also asked.

- **Financial and Billing.** Satisfaction on the 3 questions was 100% on all questions, with an average of 100% satisfaction.
 - Areas for improvement: None identified at the present time.
- **Strategic Planning.** Regarding additional services or programs that they would like to be offered in the future at BHR, two respondents provided comments:
 - “Adult survivor of child sexual assault support group would be of interest to me.”
 - “KEEP telehealth! It has allowed me to do therapy I otherwise wouldn’t. Access is so important and my insurance has made it more cost effective.”
- **Overall Satisfaction.** Satisfaction on the 4 questions ranged from 88% to 100% on all questions, with an average of 97% satisfaction.
 - Areas for improvement: None identified based on clients comments.

COMMENTS:

1. Many clients provided specific narrative comments indicating that services have been beneficial and they have good rapport with their therapist. Other comments were about the desire to continue with telehealth sessions.

RECOMMENDATIONS:

1. Communicate the results of this Client Satisfaction Survey to all clients, personnel, and other stakeholders.
2. When changes are made that directly relate to the outcome of this Client Satisfaction Survey, communicate this to clients, personnel, and other stakeholders (e.g., posted on the website and social media such as Facebook).
3. Re-administer the Client Satisfaction Survey in December 2022.
4. Add selected targets to the Strategic Plan, Accessibility Plan, Cultural Competency and Diversity Plan, and/or Performance Analysis and Improvement Plan from the results of this satisfaction survey using identified benchmarks and identify priorities.
