SURVEY ADMINISTRATION. The Employee Satisfaction Survey was developed and administered using an on-line survey tool, Survey Monkey. The survey administrator was Brenda Rohren. The survey opened at 1:42 pm on Friday, September 8, 2023 and was scheduled to close at 6:00 p.m. on Friday, September 15, 2023. Employees were asked to participate in the survey via an e-mail which was sent on September 8, 2023. The survey closed at 4:00 pm on September 8 because there was a 100% response rate.

RESPONSE RATES. The response rate was 100% (i.e., 1 of 1). Current personnel invited to participate were: one independent contractor (conducts quarterly record reviews). SUMMARY OF RESPONSES. A 5-point Likert scale was used for all questions (Strongly Agree, Agree, Neutral, Disagree, and Strongly Disagree). The satisfaction ratings indicated below are for the percentage of individuals who responded either “Strongly Agree” or “Agree” to the questions. Questions were asked regarding accessibility in the areas of Technology, Communication, Attitudes, Employment, and Environment. (Architectural, Finances, Transportation, and Community Integration were not addressed in this survey.) Cultural diversity questions were also asked. Responses that were marked as “N/A” were not used for statistical analysis.

RECOMMENDATIONS:

1. Based on results from previous surveys, one question in the Personal Expression and Diversity section about the BHR President understanding the cultural needs of personnel, the question was reworded beginning with the 2017 survey to “The BHR President understands my cultural needs as appropriate to my position.” However, there continues to be a response for the 2017-2023 surveys (Neutral), with a comment in the 2023 survey that “I don’t have any particular cultural needs.” When personnel have been asked about this following the surveys, the response is that they don’t have any cultural needs.
2. In order to offer more opportunities for professional growth, contract personnel are offered an annual subscription to Relias Learning (aka Relias Academy) LMS and (beginning in 2021) also have access to the KnowBe4 courses for cybersecurity and HIPAA training.
3. Communicate the results of this satisfaction survey to all clients, personnel, and other stakeholders.
4. When changes are made that directly relate to the outcome of this satisfaction survey, communicate this to clients, personnel, and other stakeholders.
5. Re-administer the Employee Satisfaction Survey in September 2024.
6. Add selected targets to the Strategic Plan, Accessibility Plan, Cultural Competency and Diversity Plan, and/or Performance Analysis and Improvement Plan from the results of this satisfaction survey using identified benchmarks and identify priorities.
