### **RECOMMENDATIONS:**

1. Based on results from previous surveys, one question in the Personal Expression and Diversity section about the BHR President understanding the cultural needs of personnel, the question was reworded beginning with the 2017 survey to “The BHR President understands my cultural needs as appropriate to my position.” However, there continues to be a response for the 2017-2025 surveys (Neutral), with a comment in the 2024 survey that “I don’t know how others’ ideas are treated or valued, but I believe that mine are.” When personnel have been asked about this following the surveys, the response is that they don’t have any cultural needs.
2. In order to offer more opportunities for professional growth, contract personnel are offered an annual subscription to Relias Learning (aka Relias Academy) LMS and (beginning in 2021) also have access to the KnowBe4 courses for cybersecurity and HIPAA training.
3. Communicate the results of this satisfaction survey to all clients, personnel, and other stakeholders.
4. When changes are made that directly relate to the outcome of this satisfaction survey, communicate this to clients, personnel, and other stakeholders.
5. Re-administer the Employee Satisfaction Survey in September 2026.
6. Add selected targets to the Strategic Plan, Accessibility Plan, Cultural Competency and Diversity Plan, and/or Performance Analysis and Improvement Plan from the results of this satisfaction survey using identified benchmarks and identify priorities.
